Dear Mr. Tankard,

It is a pleasure to inform you that the technology program at Bergen County Technical High School - Teterboro has been selected as an Apple Distinguished Program for 2013–2015, a two-year designation. Congratulations on being recognized as an exemplary learning environment for innovation, leadership, and educational excellence.

The administration and faculty in the program have shown that they demonstrate the five best practices of an Apple Distinguished Program: visionary leadership, innovative learning and teaching, ongoing professional learning, compelling evidence of success, and a flexible learning environment.

Apple has engaged with educators for over 30 years to explore and enhance the experience of teaching and learning. Our education mission is to provide a learning environment that supports the way students live and how they want to learn. We applaud programs such as this one that advance this mission, ensuring that all students are prepared for future success in work and life.
